April 11, 2018

To all AD's and Field Hockey Coordinators,

CSAA Field Hockey practice/try-outs may begin on April 16th. Team registration must be completed by filling out the form available on the web site (www.loucsaa.org) in the Field Hockey page by April 24th. The regular season will begin the week of May 21st. The 6th and 8th grade tournament will begin June 17th and finals will be scheduled June 28-June 30 weather permitting.

We need additional facilities for our 8th and 6th grade leagues. The 8th and 6th grade field size is 100 yards long and 60 yards wide (100x60). These fields must be no smaller than 90 yards long by 40 yards wide (90x40). If your parish is interested in hosting Field Hockey on any days of the week or weekends, please include this information on the registration form located in the Field Hockey page on the web site.

During the school year, we avoid playing on Wednesdays, so we don't conflict with RCIC classes. Because our field hockey season is played mostly after school is out, we will play on Wednesdays to get all games in during the month of June.

Any parish dropping a team will be responsible for the full franchise fee. Dropping teams causes schedules to be re-worked and greatly delays the game schedules being published on the web site and being available to coaches, parents and field managers. Please be pro active to ensure you have enough girls for the teams you enter in CSAA leagues. Always contact the CSAA office ASAP if you need to find a school to partner with for the season.

Franchise fees for our 8th and 6th grade divisions will be $325.00 per team. The fee for our 4th grade division is $250.00 per team.

A mandatory meeting for all Field Hockey coordinators and coaches will take in the CSAA office located at 1949 Goldsmith Lane, unit 101 on a date to be determined.

Sincerely,

Rick Arnold,
CSAA Executive Director

Jody Schaefer
CSAA Field Hockey Coordinator
